

Section 3: Meeting Cancellation Policy

In the event of inclement weather or unforeseen circumstances, meetings may need to be canceled and/or rescheduled. The VACCRRRA Coordinator and service group liaison will make this decision and notify all anticipated participants via listserv and will contact the participating member agencies by phone.

Participants unsure about the status of a meeting are encouraged to contact the VACCRRRA coordinator by phone at 1-877-822-2772.
